## OFFICIALDOM IN CAPITAL PIQUED AT MEXICAN NOTE

(Associated Press by Federal Wireless) WASHINGTON, D. C., June 2.—Official Washington is decidedly incensed by the insulting tone of the latest Carranza note, demanding the immediate withdrawing of the American troops now south of the Mexican border.

It became known last night that President Wilson considers the general tenor of the communication as "most offensive" and may send a sharp rebuke to the head of the de facto government at Mexico City.

PERSHING AND GAVIRA HAVE ANOTHER POW-WOW

COLONIA DUBLAN, Mex., June 2.—Gen. Pershing and Gen. Gavira held a prolonged conference yesterday afternoon on the details of the co-operation between the Carranza and American forces. After the conference Gen. Pershing said that he had found it "both pleasant and profitable to meet and talk over matters with Gen. Gavira." No details of the conference were allowed to leak out.

## VILLA OUTLAW KILLS TWO TEXAS RANGERS

PRESIDIO, Texas, June 2.—Two Texas rangers were killed yesterday afternoon by Francisco Dominguez, a Villista follower, who was wanted on a murder charge and for having been implicated in the raid by Villa upon Columbus. Dominguez opened fire with a heavy revolver as soon as the rangers sought to serve their warrant. The killing took place at the little border town of Pulido, Texas.

## IN WAR ARENA

BATTLE RAGES FIERCELY ON ALL FRONTS.

LONDON, Eng., June 2.—The German Crown Prince yesterday afternoon switched his operations to the positions east of the Meuse and launched attack after attack against the French, who are holding the shell-battered trenches defending Vaux and Thiaumont and the country between these posts.

In one sector, between Douaumont and Vaux, where the high-explosive shells have played such havoc with the Gallic trenches, the Teutonic swarm was successful, and drove the French out of their advance positions, after hours of terrific fighting in which the attackers suffered heavy casualties.

Slava Halted in Mesopotamia. The Russian advance in Mesopotamia is reported to have been halted for the time being at least, by a determined Turkish offensive in Asia Minor.

At Baiburt the Turks and their Teutonic allies have at last launched the offensive which Grand Duke Nicholas has reported they expected for some time. Here also the attackers failed to make any definite impression against the invaders of Turkey, and were themselves compelled to fall back.

Grand Duke Nicholas was compelled to evacuate the railroad town of Nakhkhatun, leaving it to be occupied by the Turkish defenders recently driven out.

Berlin reported last night that a number of Serbs, wearing British uniforms, have been captured on the Greek-Serbian front.

Rome reports that her legions have halted the advance of the Austrians in the Tyrol. Everywhere in that section of the Italian front the attackers have been stopped or repulsed with heavy loss. The struggle continues.

THREE BRITISHERS SENT TO BOTTOM UNHARMED.

LONDON, Eng., June 2.—Lloyds last night announced that word of the sinking of three British ships had been received. The steamers Baron Tweedmouth and Julia Park were sent to the bottom without warning and in spite of the fact that they were unarmed. The British steamer Lady Ninian was also sunk.

TEUTON SOCIALIST FACES TRIAL FOR TREASON.

COPENHAGEN, Denmark, June 2.—Despatches from Berlin, received here last night, announced that the preliminary court examination of Karl Leiknecht, the Socialist leader, who was arrested in connection with the bread and peace riots in Berlin on May Day, has decided to prosecute him on a charge of treason.

MILLIONS VOTED FOR ENLARGING NAVY YARDS

WASHINGTON, D. C., June 2.—Representative Gardner of Massachusetts yesterday unsuccessfully attempted to have stricken out the provision of the naval appropriation bill establishing an international court for the enforcement of peace. His measure was overwhelmingly defeated.

Six million dollars was voted for enlarging Puget Sound and other navy yards, but the fight for money to enlarge Mare Island yard and the Brooklyn yard was defeated.

TEN FIRES OCCUR IN HONOLULU DURING MAY

There were 10 fires in Honolulu during May, says Chief Charles H. Thurston. Material damages resulted in only two, at the Union Pacific stables in Queen street and at Mrs. Manuel Richard's place on Kamehameha IV road, according to the chief.

## BULL MOOSE MAY PLAY LONE HAND AND NAME TEDDY

(Associated Press by Federal Wireless) CHICAGO, Ill., June 2.—The Republican national committee yesterday voted to seat Henry Jackson, a delegate from Alabama. This means that the Hughes boom will lose 16 votes when the fight comes on the floor of the convention.

There was a deal of talk regarding the possibility that the Progressives will go ahead and nominate Roosevelt without waiting to see what the Republicans will do at their convention.

Chairman Perkins of the Progressive national committee, in speaking of this report last night, said: "Many of the delegates to the Progressive convention are in favor of not waiting for the action of the Republicans. I do not feel that way about it myself. Personally, I am in favor of waiting in a spirit of conciliation, and in the hope that the Republicans will nominate a man whom we Progressives can heartily endorse."

FUNDS NOT FORTHCOMING FOR EXPERIMENTAL WORK

For the time being efforts to secure an appropriation for the consolidation of agricultural experimental stations and their location at the College of Hawaii will be held in abeyance, though this does not mean that such efforts shall cease.

For some time the Chamber of Commerce and College of Hawaii have been seeking funds for the development of agricultural experiment work at the college under the Hatch-Adams acts. These acts provide for government funds for such federal experiment stations "as are or may hereafter be provided in the various states and territories."

A letter received by the Chamber of Commerce states that the treasury department, from which a decision was asked, has reported that funds are available for only institutions within the continental boundaries of the United States.

RUBBER. The Waterhouse Company's latest telegraphic reports on the crude rubber markets give the figures as 55 cents in Singapore and 56 in New York.

JAPANESE EXPERT WANTS NEW TREATY WITH CUBA

(Special Marconigram to Nippon Jiji.) SAN FRANCISCO, Cal., June 2.—K. Uchida, former chief of the civil administration of Formosa and a well-known industrial expert of Japan, reached here yesterday from an inspection trip to South America and Cuba. He says he will urge a new treaty with Cuba upon the officials of his country and that Japan send capitalists and men of enterprise to that island to study the sugar industry.

SYRIANS WOULD HELP DISTRESSED COUNTRYMEN

(Associated Press by Federal Wireless) WASHINGTON, D. C., June 2.—A committee of New York Syrians has appealed to President Wilson to seek permission from Turkey and the Entente Powers to send food to the Syrians in Mount Lebanon, an autonomous state under the control of the Turkish government, where it is said that more than 60,000 have died of starvation since the outbreak of the war.

DOROTHY SPRING WEDS HER SECOND CHOICE

(Associated Press by Federal Wireless) SAN FRANCISCO, Cal., June 2.—The course of true love turned smooth for Miss Dorothy Spring and Lyman Covell, and after many difficulties, which included the strenuous objection to the match on the part of John H. Spring, the Berkeley and San Francisco multi-millionaire and father of the bride, the pair were married last night.

The transport Sheridan, which arrives here Sunday morning, will leave with the next mail for San Francisco Sunday afternoon at 5 p. m.

The Japanese steamer Fukui Maru left here early this morning in ballast for Tacoma, where she will load a general cargo for Yokohama.
